

## 2017-2018 Demographics Survey Results

In addition to the main part of the 2017 volunteers' survey, respondents were asked a series of demographic-related questions, answers to which were provided on a strictly anonymous basis. 11 people gave answers to all of the demographics questions. This page provides our public report on the responses.

In the tables below, the first column of figures gives the raw numbers. The second column lists the percentages as a proportion of the number of people who replied to that question.
