

**Office of National Statistics training, 14 October 2013, Office of National Statistics,  
Government Building, Newport**

**Feedback form – summary of responses**

We received 8 feedback forms from 10 attendees at the Office of National Statistics training.

*Notes: the feedback has been given a numerical value to aid analysis, with the bottom of the scale (eg: “very bad”) being given one and the top (eg: “very good”) a value of five.*

3. Please write three words/expressions which describe this workshop for you

See Appendix 1 for further details.

4. Tell us at least one thing that would have improved this workshop for you

Half of the six responses focussed on the issue of better internet access during the session. Of the rest, two people suggested more time would have been useful – particularly the hands on aspect – and the other that the session could have been more structured.

See Appendix 4 for further details.

5. Further comments – anything positive or negative that you would like to share!

There was one reply to this question, namely that “A longer session with some more time to edit and more complex things”.

See Appendix 5 for further details.
